It is important for us to keep a record of all Rotary, Peace Project and PeaceJam events, so there will be representatives from all three organisations photographing and filming the activities.

This material will only be used:

- a) on the Rotary International, Rotary in Great Britain and Ireland, Peace Project, and PeaceJam websites
- b) in order to promote Rotary, Peace Project or PeaceJam to teachers and youth workers all over the country who express an interest in participating
- c) to help publicise Rotary, Peace Project or PeaceJam events in the media.

Rotary, Peace Project and PeaceJam will not post any personal data online or use any child's personal data for publication without consent. If you strongly object to this you may opt out of being photographed or filmed below.
