

# Celebrate with us in Birmingham!

SATURDAY 29TH SEPTEMBER

**Join us** this September for a day of celebrating the successes of the debt justice movement over the last twenty years, and learning about the struggles of 2018 and beyond.

Come to **catch up with old friends and meet new ones over a delicious lunch**, learn about debt issues in 2018, and reflect together on the legacy of the global Jubilee 2000 movement and **how we can rise to the challenges that lay ahead.**

There will be sessions on **climate change and debt, the new debt crisis in the global South, and Britain's household debt crisis**, and contributions and speeches from:

- Ann Pettifor – Former of Director of Jubilee 2000, Director of PRIME Economics
- Nick Dearden – Director, Global Justice Now (and former Director of Jubilee Debt Campaign)
- Dr Leon Sealey-Huggins – Scholar in Global Sustainable Development, Warwick University
