

Session 5: The Cry of the Earth

How do the cry of the earth and the cry of the poor make you want to change your lifestyle?

PRAY

A Christian Prayer in union with creation:

All powerful God, touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light..
