Dear

Thank you for your further letter which has been received into our Executive Office.

We do not currently offer recycling points at all of our stores, we are trialing these at a number of stores across the UK. Over the coming months, we will introduce recycling facilities at more of our stores. You can find out more by visiting www.about.sainsburys.co.uk

Once again, thank you for taking the time to get in touch.

Yours sincerely,

PP

Harlea Hamilton
